DESIGN OF THE SCHOOL.

THE Legislature, by an act passed May 16, 1870, made instruction in drawing obligatory in the public day schools, and required cities and towns containing more than ten thousand inhabitants to make provisions for free instruction in industrial drawing to persons over fifteen years of age. As it was soon found impossible to realize satisfactorily the benefits intended by this act, for want of competent teachers, a resolve was passed by the Legislature in 1873 providing for the establishment of a State Normal Art School.

DISTRIBUTION OF DIPLOMAS

MRS. KATE GANNETT WELLS,

CHAIRMAN STATE BOARD OF VISITORS.

THE WORKS OF THE STUDENTS WILL BE ON EXHIBITION IN THE VARIOUS STUDIOS FROM 10 A.M. TO 3 P.M.

PHYSICIANS' CERTIFICATES AND EXAMINATIONS.

Every candidate is required to present a certificate from a reliable physician, stating that he or she is physically fitted to undertake the contemplated course of study, and giving information as to any physical weakness the candidate may have.

The Board of Education, at its meeting on March 7, 1901, adopted the following vote and ordered it to be printed in the catalogues of all the normal schools:—

“That the visitors of the several normal schools be authorized and directed to provide for a physical examination of candidates for admission to the normal schools, in order to determine whether they are free from any disease or infirmity which would unfit them for the office of teacher, and also to examine any student at any time in the course, to determine whether his physical condition is such as to warrant his continuance in the school.”

SCHOOL YEAR.

The year is divided into two terms. The first term begins Sept. 29, 1905, and ends Feb. 10, 1906. The second term begins Feb. 13, and ends the latter part of June, 1906.

The sessions are from 9 A.M. to 2 P.M., except Mondays, with a recess of half an hour at noon.

Vacations and holidays are as follows: Thanksgiving Day and the remainder of the week; Christmas Day to New Year's Day inclusive, Washington's Birthday, Good Friday, Patriots' Day, one week beginning the first Tuesday in April, and Decoration Day.

SPECIAL NOTICE.

Works of all pupils from each of the classes must be submitted to the principal and members of the faculty four times during the school year. At the end of each term, pupils who have made little or no progress in their studies and also have shown an indifference to proper deportment or a disregard for punctuality will be requested by the principal, with the approval of the Board of Visitors, to retire from the school.

Sketches made by pupils during the summer should be submitted for criticism the first week in October.

EXAMINATIONS AND DIPLOMAS.

Pupils failing to pass any examination may apply the following year, on condition that they again perform all class work required in that subject.

Diplomas are awarded to graduates of the several courses. Recognition will be given to special pupils for work done.

RECOMMENDATION FOR APPOINTMENT.

Applications for teachers should be made directly to the principal. Such applications will be brought to the attention of pupils best prepared to do the required work.
